Dear Mr. Balotto:

Proposed Easterly Annexation District  
No. 50 to the City of Glendora

At the meeting held August 21, 1963, the County Boundary Commission reviewed the boundary description and map submitted by you with your letter of August 2 for the proposed annexation of territory to the City of Glendora.

The boundaries submitted conform with record lines and lines of ownership except the westerly portion of the southerly boundary. No island or corridor of unincorporated territory is created by the boundaries.

Upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code. With these revisions the Commission approved the boundaries for the proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed.

Very truly yours,
